Yes	Trisha Confer	Hazardous waste/liquid industrial waste	6/19/13	Yes	Yes	Yes	Yes	Extremely professional. Did not talk down to us but answered and explained all questions clearly so all of us could understand.	Yes		Yes	Again very professional. Everyone in the office is fairly new or in a new position and had never been through a Hazardous Waste Inspection before. Trisha immediately put us at ease and got down to bussiness but in a very curteous and professional manner. Her suggestions were outstanding and assistance is well appreciated. Although we did have an issue or two we were glad she pointed them out to us and we will never be hesitant to make contact with her for any further questions or guidance.			Saginaw Bay
